Dear History Students:

This is a reminder that you may publish your work with the *Chicago Journal of History* in its October edition, if you submit them by Friday, September 9th. The editorial board is accepting B.A. theses, seminar research papers as well as original research projects.

The *Journal*'s mission is to provide not only an opportunity for printed and online publication, but also a forum for dedicated undergraduate students of history and related fields from across the country to exchange ideas and share their intellectual passion.

For submission requirements, please visit: http://cjh.uchicago.edu/contact.html or contact us directly: **ughistoryjournal@gmail.com**

The Autumn 2016 issue will include, along with a list of excellent research papers by undergraduate students, interviews with professional historians such as Quentin Skinner, as well as the transcript of an October panel discussion moderated by Professor Jonathan Lyon, and contributed by prominent scholars in the field, such as Brian Fagan, Kyle Harper, Lynn K. Nyhart and Joanna Radin.

Please do not hesitate to contact us with questions, and we look forward to reading your work!

Best regards,

The Chicago Journal of History Editors
