

# CAMBRIDGE HISTORICAL SOCIETY **FALL CONVERSATION 2019**

## "HOW CAN WE MAKE CHANGE HERE?"

Join us as we invite Cheyenne Wyzard-Jones (L) and Dr. Charlotte Ryan (C), two radical educators and activists with Cambridge ties, to reflect on what drives them to engage and how they do it. In dialogue with moderator Mary McNeil (R), they will discuss the issues that motivate them and tools we can use to make our own change here in Cambridge. This event concludes our 2019 theme "How Does Cambridge Engage?"
